## **BPO Management Services Appoints John Lalli to Lead ITO Services Practice**

Monday November 5, 6:30 am ET

### **Veteran Technology and Business Executive Brings 30 Years of Experience**

ANAHEIM, Calif.--(BUSINESS WIRE)--BPO Management Services Inc., (OTCBB:[BPOM](#)), a full service business process outsourcing company focused on serving middle market enterprises, today announced the appointment of John Lalli as Managing Director of its IT Outsourcing Services Division (ITO), which encompasses the recently announced Blue Hill Data Services acquisition.

Mr. Lalli brings to BPO Management Services (BPOMS) more than 30 years of technology and business experience, most recently as Executive Vice President, Infocrossing, Inc., a mid-tier, publicly-held infrastructure services provider, where he was a key member of the leadership team that tripled the growth of that company during the four year period to 2006. Prior to that, Mr. Lalli held senior technology and business development positions with Systems Management Specialists, a privately held ITO services provider, subsequently acquired by Infocrossing. Mr. Lalli's career in information technology includes twenty-six years in Media/Entertainment with CBS, Inc., where his last position was Chief Information Officer. At CBS, Mr. Lalli initiated a revenue generation shared services business that contributed significantly to the bottom line, culminating in a successful strategic outsourcing partnership and the first of its kind for a television network. Mr. Lalli is a graduate of the University of Notre Dame where he holds a BA in Economics, and is a decorated Vietnam War veteran.

"John brings a unique and balanced depth of experience, having been on both the corporate and managed services sides of the information technology business," said Patrick Dolan, chief executive officer of BPO Management Services, Inc. "With many years of business experience across a broad spectrum of technology applications in both large scale corporate and managed services technology companies, John is an industry subject matter expert with a proven, successful track record of delivering client services and growth in the BPO space, which we expect will be of tremendous benefit to the continuing growth of BPOMS," Dolan concluded.

About BPO Management Services, Inc.

BPO Management Services (BPOMS) is a business process outsourcing (BPO) service provider that offers a diversified range of on-demand services, including human resources, information technology, enterprise content management, and finance and accounting, to support the back-office business functions of middle-market enterprises on an outsourced basis. BPOMS supports middle-market businesses new to the BPO market, established businesses that already outsource, and businesses seeking to maximize return-on-investment from their in-house workforce.
