Blue Hill Participates in Maimonides Medical Center's Champions of Healing Annual Gala

Blue Hill's executives were pleased to participate in the 2017 Champions of Healing Gala to benefit Maimonides Medical Center. The program was held at Barclays Center in Brooklyn, NY. It celebrated the Hospital's clinical achievements and paid tribute to Champions of healing – individuals from all walks of life who lead, excel and inspire.

The Best of Maimonides Award was bestowed upon prominent business and community leaders Esther and Jack A. Hidary, Maimonides Trustees; Dr. Pedram Bral, Fellowship Director of Minimally Invasive Gynecologic Surgery; and Douglas Jabon, Executive Vice President of Patient Relations and Special Assistant to the President. The Brooklyn's Best Award was presented to the founders and benefactors of Kids for Kids Foundation, charitable supporters of children's healthcare initiatives who announced a major gift to dedicate the Neonatal intensive Care Unit in the Maimonides Children's Hospital.

The entire Blue Hill management team feels privileged to work in partnership with Maimonides Medical Center, whose dedicated individual care about the future of healthcare in Brooklyn and beyond.

Maimonides Medical Center is the largest hospital in Brooklyn, New York. An independent teaching hospital, Maimonides is at the forefront of innovative medicine.

We are one of only 26 hospitals in the nation to achieve outstanding patient outcomes in all three categories measured by the Centers for Medicare and Medicaid Services: heart attack, heart failure and pneumonia. We are a "Top 10" hospital in all three categories.

Our Surgery Department has experts in all major surgical sub-specialties. Our Cardiac, Neuro, Thoracic, Urologic and Orthopedic divisions are recognized as among the best in the US.

Our fully-accredited Children's Hospital provides all major subspecialties and includes a Pediatric ER, a Pediatric ICU and an advanced Neonatal ICU, with mortality rates significantly lower than the national average. More babies are delivered annually at Maimonides than at any other hospital in New York State.

Blue Hill Data Services helps clients **reduce their operating costs** and **minimize risk** by providing **private cloud and fully managed data center hosting solutions**, and a full array of complementary IT support services, all from **On-Shore USA**.

Our highly skilled and experienced staff, **world-class data center facilities**, and reliable 24/7 services have supported clients worldwide and from all industries since 1994. We specialize in **Mainframe, Mid-Range AS/400 iSeries, and Private Cloud Services; Applications Services; Colocation Services; Dedicated Disaster Recovery and Business Continuity Solutions**. Our deep technical skills and long standing experience enable us to support our clients' **legacy** environments as well as implement new technology solutions. Our differentiation is providing **customized solutions, flexibility with contracts and SLAs**, and personalized attention and services.

We are proud our **customer retention is 100%**.
