Blue Hill Data Services/CAPS is proud to be a sponsor of Gartner Symposium/ITxpo 2014

Blue Hill Data Services/CAPS is proud to be a sponsor at Gartner Symposium ITxpo 2014. For a limited time we are pleased to extend to our customers and guests a reduced registration rate.

Gartner Symposium/ITxpo 2014, October 5 – 9, Orlando, FL, is the most influential and strategic IT conference for the CIOs and their leadership teams, attracting 3,000 CIOs. More than 8,500 senior IT leaders will engage in 500 sessions, which include forward-thinking keynotes, networking sessions, roundtables and private analyst meetings.

[View the 2014 agenda](#), which includes an exclusive CIO program, 10 IT role based tracks and industry-based coverage.

Join Blue Hill Data Services/CAPS at ITxpo, the exhibit floor at Gartner Symposium/ITxpo, featuring more than 290 solution providers, plus:

- 11 technology Marketplaces
- CIO Thought Leadership presentations
- Learning labs and ITxpo theaters
- Emerging Technologies Pavilion
- Solution provider sessions
- Face-to-face solution provider meetings
- Networking receptions, and more
